

Carbomer 971  
20Kg

Carbomer 971  
powder

## Carbomer 971 Parameter Specifications

Packing specification: 20kg/carton

Performance: high viscosity, high transparency, high suspension ability

Solubility: Soluble in water, glycerol and ethanol, etc.

Safety: no mold growth in dry state, non-toxic and non-irritating

Validity: Two years

Storage conditions: sealed at room temperature
